RE: **CASE NO. 2007-00107**
MIKE LITTLE GAS COMPANY, INC.

Dear Mr. Geoghegan:

This letter is being written with regard to Mike Little Gas Company's denial of connection to Mrs. Rebecca Hall. After investigation, Mrs. Hall has informed Mike Little Gas that she only wishes to have the connection for use of a small appliance which she would only use during winter months. The line would require connection in a complicated area requiring extraordinary expenditures on behalf of Mike Little Gas, which would result in further costs to the customer and therefore, would not be cost effective. Further, there is a factor of considerable danger to the system and other costumers. With this in mind, we have determined that at this time it would not be beneficial to the customer nor Mike Little Gas to install services for Mrs. Hall.

If any further information is requested, please contact me at (304)235-2223 so that I may assist you .

Cordially,

Miki Thompson
President, Mike Little Gas Company, Inc.
